

SCHEDULE AT A GLANCE

TUESDAY, JANUARY 27		
7:15–11:15 am		Essentials of Pain Medicine™ Day 1 (PME)
11:30 am–12:45 pm	Lunch Satellite Symposium (1.25 CME)	
1–5 pm	Ultrasound Guidance for the Pain Physician (001)	Essentials of Pain Medicine™ Day 1 (PME) (continued)
5:15–6:30 pm	Dinner Satellite Symposium (1.25 CME)	

WEDNESDAY, JANUARY 28		
6–7:15 am	Intrathecal Therapies for Chronic Pain: Old Challenges and New Developments (112)	
7:30–11:30 am	Opioid Therapy: Cutting-Edge Scientific Approaches and Practical Strategies (002)	Essentials of Pain Medicine™ Day 2 (PME)
11:45 am–1 pm	Lunch Satellite Symposium (1.25 CME)	
1:15–5:15 pm	Opioid Therapy: Cutting-Edge Scientific Approaches and Practical Strategies (002) (continued) (1:15–4:45 pm)	Essentials of Pain Medicine™ Day 2 (PME) (continued) (1:15–5:15 pm)
5–6:30 pm	AAPM 25th Annual Meeting Welcome Reception Exhibits and Posters	
6:30–7:45 pm	Dinner Satellite Symposium 1.25 CME	

THURSDAY, JANUARY 29		
5:30–6:45 am	Breakfast Satellite Symposium 1.25 CME	
7–8 am	Neuroplasticity and Chronic Pain (101)	
8–8:30 am	Plenary Research Highlights (102)	
8:30–9 am	AAPM President's Welcome Address (103)	
9–10 am	BREAK Exhibits and Posters	
10–10:40 am	American Medical Association Address (104)	
10:45–11 am	AAPM Annual Business Meeting	
11:15 am–12:30 pm	Lunch Satellite Symposium 1.25 CME	
	Concurrent Scientific Sessions	
	INTERVENTIONAL Track	INTEGRATIVE Track
12:45–1:45 pm	Electrical Neuromodulation: Justifying the Cost of Spinal-Cord Stimulation (201)	Management of Chronic Pain Populations: Community, V.A., Managed Care, and Rural Approaches (202)
1:45–2:30 pm	BREAK	
2:30–3:30 pm	Treatment Approaches to Discogenic Low-Back Pain: Surgical Versus Percutaneous (203)	Pain Medicine Malpractice: Areas of Inquiry and Legal Updates (204)
3:30–5 pm	AAPM 25th Annual Meeting Reception Exhibits and Posters	
5–6:15 pm	Dinner Satellite Symposium 1.25 CME	

FRIDAY, JANUARY 30			
5:45–7 am	Breakfast Satellite Symposium 1.25 CME		
7:15–8:15 am	The Loneliness of Science in Interventional Pain Medicine (105)		
8:15–9 am	Plenary Research Highlights (106)		
9–10 am	BREAK Exhibits and Posters		
10–11 am	Acupuncture: Historical Perspectives and Emerging Advances in the Treatment of Pain and Addiction (107)		
11:15 am–12:30 pm	Lunch Satellite Symposium 1.25 CME		
	Concurrent Scientific Sessions		
	INTERVENTIONAL Track	INTEGRATIVE Track	INTERNATIONAL Track
12:45–1:45 pm	Cervical Spinal Injections: Significant Complications and Recommendations to Improve Safety (301)	'Inheriting' the Chronic Pain Patient: Breaking the Barriers and Regaining the Trust (302)	Advances in Interventional Pain Management (305)
1:45–2 pm	BREAK		
2–3 pm	Sacroiliitis: Contemporary Approaches for the Treatment of the Chronic 'Pain in the Butt' (303)	Neuropathic Pain: Clinical Evaluation and Examination Pearls for the Practicing Pain Clinician (304)	Training of Future Pain Medicine Physicians: International Perspectives (306)
3–3:15 pm	BREAK		
3:15–4:15 pm	Recent Advances in Complex Regional Pain Syndrome (113)		
4:15–5:15 pm	The Art of Pain Medicine: When Needles and Drugs Don't Work (108)		

SATURDAY, JANUARY 31			
6:30–7:45 am	Breakfast Satellite Symposium 1.25 CME		
8–8:30 am	Plenary Research Highlights (109)		
8:30–9:30 am	Pain Medicine in Older Adults: Preparing for a Paradigm Shift (110)		
9:30–10 am	BREAK		
10–11 am	WAR <i>and</i> PAIN: From Battlefield to Back Home (111)		
11:15 am–12:30 pm	Lunch Satellite Symposium 1.25 CME		
	Concurrent Scientific Sessions		
	INTERVENTIONAL Track	INTEGRATIVE Track	INTEGRATIVE Track
12:45–1:45 pm	Comprehensive Headache Symposium: International Perspectives on the Management of Headache Disorders (401)	East Versus West—International Perspectives on the Management of Cancer Pain (402)	BREAK
1:45–2 pm		Integrative Pain Care: Effective Management Through Multidisciplinary Collaboration (403)	
2–3 pm
